Support for immunity and infections

- Sinusitis
- Common cold and rhinitis
- Influenza

 Vegan  Non-GMO  Gluten Free

## PRODUCT DESCRIPTION

AOR's Pro Andrographis contains a high quality standardized extract of the traditional Chinese “cooling” herb *Andrographis paniculata*. Andrographis has been shown to reduce the duration and severity of cold and flu symptoms with noticeable improvements within three days. Furthermore, its immune-regulating capacity reduces the frequency of infections.

Pro Andrographis provides immune support for individuals susceptible to or suffering from bacterial or viral infections, including rhinitis, pharyngitis, sinusitis, intestinal, and urinary tract infections.

## AOR ADVANTAGE

Many of the available andrographis products have a low concentration of the active constituent andrographolides. Pro Andrographis is standardized to include 33% andrographolides, equivalent to six to nine grams of the raw herb.
