Thyroid

Supports thyroid gland function

- Thyroid support
- Metabolism
- Weight management
- Energy
- Cognition

 Vegan  Non-GMO  Gluten Free

PRODUCT DESCRIPTION

Pro Thyroid assists in both the production of thyroid hormones and the conversion of inactive T4 hormones into the active T3 hormone. It contains nutrients and herbs that help prevent and reverse thyroid insufficiency including tyrosine, iodine, and the botanical herbs *Coleus forskohlii* and *Bacopa monnieri*.

Tyrosine and iodine are the building blocks of thyroid hormones T3 and T4. Zinc helps support the conversion of T4 to T3, while selenium can help decrease anti-TPO antibodies in those with Hashimoto's disease.

AOR ADVANTAGE

Pro Thyroid contains all of the necessary nutrients for optimal thyroid function along with Ayurvedic herbs to enhance its activity.

NPN: 80024543

90 capsules

Serving Size:

Three capsules

Medicinal Ingredients:

L-Tyrosine
Iodine (from potassium iodide)
Coleus forskohlii extract (10% forskolin)
