Bio-Multi Plus™

Multi-Vitamin & Mineral Supplement

From Biotics Research Corporation

Bio-Multi Plus™, Bio-Multi Plus™ Iron-Free Bio-Multi Plus™ Iron/Copper-Free

**Versatile, uniquely balanced, multiple
vitamin and mineral supplements from
Biotics Research Corporation**

Exclusive vegetable culture tableting base

- Antioxidant enzymes
- Broad range of phenolic phytochemicals that function as quenchers of free radicals and superoxide dismutase
- Natural tablet disintegrant, free of yeast, grains and lactose
- Whole-food, hypoallergenic base from non-soy legumes cultured at our own facilities to assure reproducible high-quality

Emulsified fat soluble nutrients and factors

Vitamins A, D, E and K, as well as Coenzyme Q10, are emulsified and dried to form true emulsions as found in whole foods. Biotics Research Corporations' emulsified nutrients lead to superior absorption.

Phytochemically Bound Trace Elements

Trace elements, including chromium, selenium, molybdenum, vanadium, rubidium, and lithium are incorporated into our vegetable culture matrix. These food-form minerals are identical to those in foods to assure optimal tolerance and uptake.

Versatile antioxidants

Bio-Multi Plus™ products provide broad spectrum antioxidants, including mixed ascorbates for vitamins C and E, natural mixed carotenoids (including beta carotene), citrus bioflavonoids, Coenzyme Q10 and N-Acetyl L-Cysteine, together with plant form superoxide dismutase and catalase.

Chelated Minerals

Iron, copper, zinc, manganese, and magnesium as gluconates, aspartates, glycinate and calcium as citrate for enhanced bioavailability.

Balanced formulations for versatility

Levels of B vitamins and minerals are balanced, while providing a full complement of nutrients at levels that permit **Bio-Multi Plus™** and **Aqueous Multi-Plus™** to be used as a foundation for many nutritional protocols. *Iron free* and *Iron/Copper free* formulations are also provided for individualized programs.

Bio-Multi Plus™ (products #1161 & 1162) are available in bottles of 90 and 180 tablets. Also available in Iron free and Iron/Copper free versions.

Recommendation: Three (3) tablets each day as a dietary supplement or as otherwise directed by your healthcare professional.
