Découvrez la science derrière  
notre supplément de performance

# GLUTAMED

Une formule comprenant la combinaison de glutamine et de glycine de la plus haute qualité sur le marché. Alors que la glycine aide à convertir le glucose en énergie, la glutamine est la principale source d'énergie des cellules de la muqueuse intestinale.

100% sans herbicides, pesticides  
ou autres produits chimiques.

## INGRÉDIENTS - PAR PORTION DE 5G (1 MESURE)

L-GLUTAMINE	4000 mg
L-GLYCINE	1000 mg

# INGRÉDIENTS

Par portion de 5g

## L-Glutamine (4000mg)

Lorem Ipsum is simply dummy text of the printing and typesetting industry. Lorem Ipsum has been the industry's standard dummy text ever since the 1500s, when an unknown printer took a galley of type and scrambled it to make a type specimen book. It has survived not only five centuries, but also the leap into electronic typesetting, remaining essentially unchanged. It was popularised in the 1960s with the release of Letraset sheets containing Lorem Ipsum passages, and more recently with desktop publishing software like Aldus PageMaker including versions of Lorem Ipsum.

## L-Glycine (1000mg)

Lorem Ipsum is simply dummy text of the printing and typesetting industry. Lorem Ipsum has been the industry's standard dummy text ever since the 1500s, when an unknown printer took a galley of type and scrambled it to make a type specimen book. It has survived not only five centuries, but also the leap into electronic typesetting, remaining essentially unchanged. It was popularised in the 1960s with the release of Letraset sheets containing Lorem Ipsum passages, and more recently with desktop publishing software like Aldus PageMaker including versions of Lorem Ipsum.
