Découvrez la science derrière
notre produit de performance

IBCAA

IBCAA est une formule à base d'acides aminés en branches ramifiées qui se dissout complètement et instantanément dans l'eau. Afin d'offrir des produits de qualité supérieure, nous avons parcouru le monde afin de trouver les BCAA les plus purs et efficaces qui soient.

En plus d'être plus rapide et efficace que les autres formules de BCAA disponibles sur le marché, l'excellent taux d'absorption de l'IBCAA en fait un produit exceptionnel.

100% sans herbicides, pesticides ou autres produits chimiques.

INGRÉDIENTS - PAR PORTION DE 5G (1 MESURE)

L-LEUCINE	2.5 g
L-ISOLEUCINE	1.25 g
L-VALINE	1.25 g

our performance product

IBCAA

IBCAA is a branched-chain amino acid formula that dissolves immediately and completely in water. ATP has sourced the highest quality and most pure form of BCAAs.

IBCAA boasts greater absorption rates and is faster and more efficient than other BCAA formulas on the market.

100% without herbicides,
pesticides or other chemicals.

PROPER DOSING

RECOMMENDATION	Adults: Take 1 serving (10 g) two times per day.
----------------	--

Mix into 2 cups of water, juice or your favorite drink.

Cautions and Warnings: Consult a health care practitioner prior to use if you are pregnant or breastfeeding. Consult a health care practitioner prior to use if you have liver or kidney disease or if you have been instructed to follow a low protein diet.

Contra-indications: Do not use if you are taking Levodopa, a medication used to treat Parkinson's disease.

Store in a cool and dry area. Do not use if the seal is broken or missing. Keep out of reach of children. Packaged by weight not volume.

IBCAA Promotes:

- The essential amino acids L-leucine, L-valine, and L-isoleucine are involved in protein synthesis.
- Provides essential amino acids for the maintenance of good health.
