

## MetaKids™ Probiotic

**Form:** Chewable Tablets

**Flavour:**

**Size:** 120 Chewable Tablets

Medicinal Ingredients	Amount Per Serving
<b>Each tablet contains 5 billion CFUs<sup>†</sup>:</b>	
Bifidobacterium lactis Bi-07 <sup>††</sup>	2.5 billion CFUs
Lactobacillus acidophilus NCFM <sup>††</sup>	2.5 billion CFUs

**Non-Medicinal Ingredients:** Xylitol, D-sorbitol, cellulose, natural colours (hibiscus, purple & black carrot juice), natural cranberry flavour, natural grape flavour, citric acid, DL-malic acid, natural flavour, stearic acid (veg), magnesium stearate (veg), and silicon dioxide.

**Recommended Use:** Provide probiotics that temporarily modify gut flora. Helps reduce the duration and symptoms of the common cold in children. Helps to reduce cold-related fever, rhinorrhea and cough in children.

**Recommended Dose:** Children (3 years and older) take 2 tablets once daily or as directed by your healthcare practitioner. Take at least 2-3 hours before or after antibiotics.

**Caution:** Do not use if you have an immune compromised condition (e.g. AIDS, lymphoma, patients undergoing long-term corticosteroid treatment). Discontinue use and consult a healthcare practitioner if symptoms of digestive upset (e.g. diarrhea) occur, worsen, or persist beyond 3 days. Consult a healthcare practitioner prior to use if you have nausea, fever, vomiting, bloody diarrhea or severe abdominal pain. Do not use if perma seal is missing.

**This product is non-GMO, gluten-free, and vegetarian.**

<sup>†</sup>Colony Forming Units of total blend at date of expiration.
