Non-Medicinal Ingredients: Microcrystalline cellulose, capsule (hydroxypropylmethylcellulose), magnesium stearate (veg), and silica.

Recommended Dose: Adults take 1 capsule daily or as recommended by a healthcare practitioner. Take at least 2-3 hours before or after antibiotics.

Recommended Use: Source of probiotics. Features probiotics that have been shown to help support a healthy intestinal environment. Helps manage acute infectious diarrhea and manage and/or reduce the risk of antibiotic-associated diarrhea.

Caution: Do not use this product if you have an immunocompromised condition (e.g. Aids, lymphoma, patients undergoing long term corticosteroid treatment). If you have fever, vomiting, bloody diarrhea or severe abdominal pain, consult a health care practitioner prior to use. Stop use and consult healthcare practitioner if symptoms of digestive upset (e.g. diarrhea) occur, worsen and/or persists beyond 3 days.

This product is non-GMO, gluten-free, and vegetarian.

Do not use if perma seal is missing.

Storage: Keep in a cool dry place.

¹Colony Forming Units of total blend at date of expiration.
