Non-Medicinal Ingredients: Oat hull fiber, natural flavors, cocoa powder, olive oil, silicon dioxide, guar gum, xanthan gum, monk fruit extract, and rosemary extract.

Recommended Dose: Adults blend (for no longer than 15 seconds), shake, or briskly stir 2 level scoops (38.5 grams) of UltraMeal Cardio 360° in 237 mL (8 fl. oz.) of chilled water daily or as directed by your healthcare practitioner. Consume within 10 minutes of reconstitution. Take a few hours before or after taking other medications or natural health products.

Recommended Use: Helps to maintain proper muscle function, including the heart muscle. Source of antioxidants that help to reduce free radicals and lipid oxidation in body tissues. Helps in the normal function of the immune system

Caution: Do not use this product if you are pregnant or breastfeeding. Consult a healthcare practitioner before using this product if you have liver or kidney disease. Folate supplementation can mask a vitamin B₁₂ deficiency. If you are unsure whether you are taking enough vitamin B₁₂, consult a healthcare practitioner prior to use. Hypersensitivity, such as an allergy, has been known to occur in rare cases; in which case, discontinue use. Ensure to drink enough fluid before, during, and after exercise. Consult a healthcare practitioner for use beyond 8 week.

This product is non-GMO and gluten-free.

Do not use if safety seal is missing.
