

Zinlori 75™

Form: Tablets

Flavour: no flavor

Size: 60 Tablets

Ingredient	Amount
Each tablet contains:	
Zinc L-Carnosine (providing 17mg of zinc)	75 mg

Non-Medicinal Ingredients: Cellulose, stearic acid (veg), and silicon dioxide.

Recommended Dose: Adults take 2 tablets daily with food a few hours before or after taking other medications or as directed by your healthcare practitioner.

Recommended Use: Zinc is a factor in the maintenance of good health.

Caution: Consult a healthcare practitioner prior to use if you are pregnant or breastfeeding or if you have high triglyceride levels, alkaline phosphatase levels, or if you are anemic. Stomach discomfort, constipation, or abdominal discomfort may occur. Zinc supplementation can cause a copper deficiency. Consult a healthcare practitioner for use beyond 3 months.

This product is non-GMO, gluten-free, and vegetarian.
